

CAREERS

Curriculum Map: Provision KS5

We ensure students receive information from organizations, speakers, workshops, and visits in line with the government's Provider Access Legislation. Students are entitled to two mandatory career encounters in Key Phases 1 (Years 8-9) and 2 (Years 10-11), and two optional encounters in Key Phase 3 (Years 12-13). This legislation supports awareness of apprenticeships and technical education options like T-Levels and Higher Technical Qualifications.

UNIFROG

This platform provides career exploration tools for all year groups, with individual student accounts. It offers resources on workload management, CV writing, and career-related content, including quizzes, tests, and games. Students update profiles with activities like work experience and volunteering, reflecting each term on their learning's relevance to the workplace.
