# CAREERS Curriculum Map: Year 11

We ensure students receive information from organizations, speakers, workshops, and visits in line with the government's Provider Access Legislation. Students are entitled to two mandatory career encounters in Key Phases 1 (Years 8-9) and 2 (Years 10-11), and two optional encounters in Key Phase 3 (Years 12-13). This legislation supports awareness of apprenticeships and technical education options like T-Levels and Higher Technical Qualifications.

## UNIFROG

This platform provides career exploration tools for all year groups, with individual student accounts. It offers resources on workload management, CV writing, and career-related content, including quizzes, tests, and games. Students update profiles with activities like work experience and volunteering, reflecting each term on their learning's relevance to the workplace.

## AUTUMN TERM

Transition Review

## COLLEGE

Year 11 attend LSEC Bromley (Link course) every Friday for a 26 week period. Options available are Horticulture, Mechanics iMedia or Photography. This program supports the students with their transition to Further Education and also gives them an insight into different career options.

## NEW CHOICES EVENING

Students and their families can meet with various Further Education (FE) and specialist colleges, as well as multiple support professionals and agencies, to speak about FE, career choices and transitional routes available once they leave school.
