

 
Chocolate Brownies

 Put the oven on to 180°C.

 Line the baking tray with greaseproof paper.

 Weigh 140 g of soft margarine into a large bowl.

 Weigh 190 g caster sugar in a small bowl and add to the margarine.

 Crack 2 eggs carefully.

 Weigh 40 g cocoa powder and 50g of self raising flour and add to bowl.

 Whisk mixture together with electric whisk until light and fluffy.

 Spoon the mixture into the baking tray and carefully spread the mixture out.

 Place in oven and bake until brownies have a crusty top and are firm.

 Take out of oven and cool on a cooling tray.

 Melt white chocolate in glass bowl for 1 minute and drizzle over brownies.
