

HOME LEARNING

Subject: Geography

Time: No more than one hour

Learning Objective: To think back about your learning during Lockdown

Task: Make a poster about your 'home school'

1. Make a poster that advertises the place or the places that you learned in during Lockdown.
 - a. This could be your bedroom or somewhere else in your home.
 - b. If you sometimes learned outside of the house (like your garden or a park) you could include that too
2. Think about WHAT you learned in your home school. Put some of these ideas in your poster.
3. What was better at home than school? Put this in your poster.

Tips: Be positive and make your poster amazing. When Lockdown is over it should remind you of this time.

Good luck and have fun!
